 St. Luke's Hospital in Columbus, NC is seeking to fill the following positions:

Full Time Physical Therapists (inpatient and/or outpatient)
Part-Time AND PRN Physical Therapists (inpatient)
Full-Time Physical Therapy Assistant (inpatient)

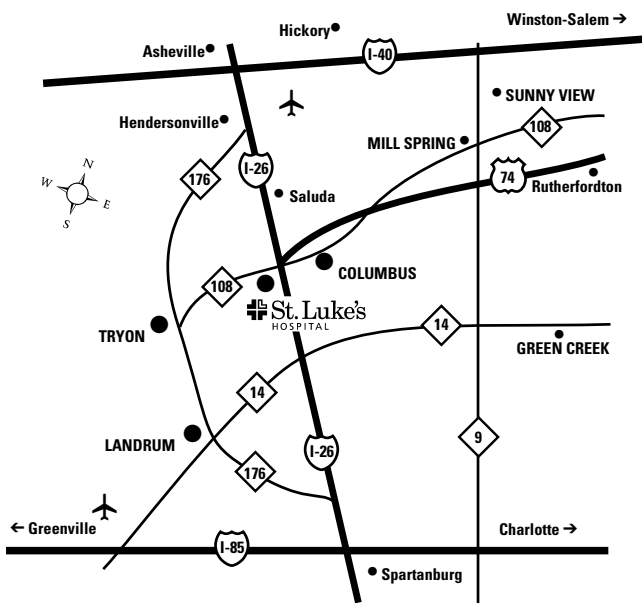

Therapists in the Outpatient setting will see a mixed caseload with 80 - 90% being orthopedic in nature. These candidates will control their own patient caseload while offering one-on-one patient care. Flexible schedules are available.

Therapists in the Inpatient setting will see a mixed caseload of orthopedic and neurological patients. Inpatient services are provided to acute and swing-bed patients. PRN PTs and PTAs are also needed for weekend coverage.

***** Experienced professionals as well as new grads are encouraged to apply. *****

The following benefits are offered to eligible full time employees:

- * Competitive pay
- * Relocation assistance available
- * Paid combined sick and vacation time
 - * Direct deposit
- * Continuing Education allowance
 - * 401(k) with matching funds
 - * Medical and Dental benefits
 - * Prescription drug benefits
- * Short-term and Long-term disability
 - * Life insurance...and more

St. Luke's Hospital is a private not-for-profit community hospital and is designated as a critical access hospital. It is located at the base of the Blue Ridge Mountain escarpment in Columbus, NC off of Interstate 26. It is nestled between Hendersonville, NC and Spartanburg, SC. Outdoor and cultural activities are plentiful in this area with the Blue Ridge Parkway, Biltmore Estate, Smokey Mountain National Park, Flat Rock Playhouse and numerous scenic historic towns all located nearby in Western North Carolina. St. Luke's Hospital is within an easy driving distance of Asheville, NC as well as Greenville, SC and many beaches. Enjoy a moderate climate with beautiful scenery and all four seasons. St. Luke's Hospital is committed to offering high quality health care services to Western North Carolina and the upstate of South Carolina.
